### **New Business:**

There was some bad publicity with CBC reporting that Anglophone East said they were not going to send other buses to help with a bus breakdown, and Anglophone West echoed the same sentiment. Then a statement came out from the province November 25<sup>th</sup> that this will not happen.

PSSC Budget—Our \$750.00 must be spent. Katherine reported that our Speech Language pathologist recommended that we invest in a \$340.00 “Proloquo” message board which allows non-verbal students to be able to show us their needs while on the playground. Installation will be \$800.00 but B. Crocker from the village will complete the installation for \$300.00, saving us a considerable amount of money. R. Smith put forth a motion that we spend the PSSC budget on the communication board, 2<sup>nd</sup> by L. Innocent
